

Thank you for purchasing a John Beargrease Sled Dog Commemorative envelope. Your mail will be carried by dog sled along the historic Beargrease trail, just as John Beargrease did more than 100 years ago. Start by writing a letter to a relative, friend, or even yourself! Insert your letter in the commemorative envelope and address it. You need to affix sufficient postage and return it to the Beargrease office no later than January 10. Your commemorative envelope will be signed by a Beargrease musher (all of our mushers get sworn in as mail carriers prior to the race) and receive a stamped cancellation which reads, "Carried by Dog Sled." Your mail will be carried up the trail by a musher mail carrier from Duluth to Grand Portage, where it will then enter the regular mail stream. Commemorative envelopes are a limited edition design created by local artists for this historic event. For 2019, we will be using "vintage" commemorative envelopes.

**Please return your SASE to: Beargrease Trail Mail, PO Box 16477, Duluth, MN 55816 by January 10.**
