

Thank You for Purchasing John Beargrease Trail Mail

Beargrease.com

Here are your easy steps:

1. Write letters to yourself, friends, family members, service members, students, teachers etc. You can use our stationary or your own.
2. Fold your letters into the envelopes with the awesome artwork by Stacia Goodman.
3. Place a USPS stamp on the upper right hand corner of the envelope.
4. Place your colored Trail Mail envelope in another envelope to mail back to the John Beargrease Education Committee no later than January 11, 2020. PO Box 16477, Duluth MN 55816
5. Musers will be sworn in as official USPS mail carriers on January 25. Your letters will be distributed among the John Beargrease sled dog mushers. Each musher will carry the letters in a John Beargrease Commemorative Mail Bag in their sleds. Each musher will sign his/her name in the lower left corner of the envelope. Go to beargrease.com to see which musher carrier your letter.
6. Pay attention to the cancellation stamp that is stamped over the USPS stamp. This stamp was designed by young mushers Elena and Nicole Freking. To learn more about cancellation stamps please visit <https://about.usps.com/publication/pub186.pdf>
